Dear Mr. Pilsbury & Mr. Pavao:

We would like to take this opportunity to thank you for your donation of the rip rap stone and allowing us access on your property to make the necessary repairs on the South Main Street Drainage Project. The material was used to stabilize the slope and make an access road for future maintenance. Those repairs will alleviate drainage problems many of our residents and businesses have been facing.

We appreciate all of the support P.J. Keating has provided the Town over the years, and look forward to our continuing partnership.

Sincerely,

Kevin Gaspar, Sr., Chairman
